

5 GENDER
EQUALITY

SDG 5 GENDER EQUALITY

Achieve gender equality and empower all women and girls

Muban Chom Bueng Rajabhat University promotes gender equality by ensuring no discrimination based on gender or sexual orientation in admissions or employment. The university embraces inclusivity, supporting the rights of transgender individuals and offering maternity leave for staff. Additionally, the university provides services through its Thai Traditional Medicine and Alternative Medicine Bureau, offering postnatal care and recovery services to staff and the general public.

1. Thai Traditional Medicine and Alternative Medicine Bureau, Muban Chombueng Rajabhat University

Muban Chombueng Rajabhat University has set up the Thai Traditional Medicine and Alternative Medicine Bureau to offer postnatal recovery services for mothers. These services include practices such as salt pot therapy, herbal steam baths, massage to stimulate circulation and relax muscles, as well as techniques to relieve blocked milk ducts and support milk flow.

Achieve gender equality and empower all women and girls

2. The MOON&STAR Freshy Day MCRU

The MOON&STAR Freshy Day MCRU activity is an event aimed at fostering relationships between freshmen and senior students, promoting equality and inclusivity, and discovering model students under the concept of gender equality. The event will take place on August 28, 2024, at the Rattanaphruek Auditorium, Muban Chombueng Rajabhat University
